FIRST LEVEL

LOWER LEVEL

Finely appointed with a limestone-framed fireplace, hand-scraped wood flooring, premium cabinets, top-line cooking instruments and built-ins including a central command center, the home is exceptionally inviting. A hidden prep kitchen, dramatic gallery hallway and outdoor lanai are welcoming touches. Tucked away behind double French doors and a barrel vault ceiling is the owner's suite – a private wing – complete with a two-way fireplace, sitting room, an enormous master bath and twin walk-in closets. The opposite wing holds additional bedroom suites with private baths for guests and the grandchildren. The flexible walkout level is replete with a microbrew bar, pub lounge, card room and a fifth bedroom suite with an adjoining exercise room.
